IYMS Croatia 2020!!

The International Youth Media Summit (IYMS) is an annual two-week event where delegates from all over the world meet for the opportunity to work beyond borders. They collaborate on media projects and motivate one another to take action and responsibility to inspire their generation and shape the world. This year the summit will be taking place in Karlovac, Croatia. Applications for the 2020 Summit are now open, see Ms.Seubert in the Media Center for additional information before you apply.

School Experience Survey

It's time for the District's annual School Experience Survey. Your child was given an envelope with the survey and it can be returned after being completed to their second period teacher. It is important that we get as much feedback as possible as the data is used as part of the parent engagement portion of the CA Dashboard state accountability system. Thank you for your participation!
